Helping Employees With the Cost of Membership at The Alaska Club

Subsidizing or partially subsidizing the cost of a The Alaska Club membership is completely optional. Should you choose to, covering some or all of the cost of your employees' The Alaska Club membership can have a significant impact on employee energy, health and their focus on serving your customers. Organizations that subsidize their employee memberships agree to give The Alaska Club Member Accounting (337-9550 ext. 1142) sixty day prior notice to discontinuing the subsidy of membership dues for its employees in general. JPS Inc. will notify The Alaska Club if anyone for whom it pays a subsidy is no longer employed there and shall be responsible for the dues subsidy of terminated employees prior to this notification. All employees are individually responsible for cancelling their membership commitment. JPS Inc. subsidizes/reimburses their employee's memberships at the amount of 100% per individual membership.
